Buegrass Concert

On Friday, October 27, Roxeen & Dalrymple, bring their perfect blend of tradition and distinctive homegrown sound to the Seeley's Bay Community Hall.

Nova Scotia's Roxeen & Dalrymple may be the province's newest acoustic act, however, they are far from being new on the music scene. Originally teamed together 25 years ago as band mates of the legendary Spinney Brothers, a life of separate musical paths has brought them back together. Roxeen & Dalrymple is a classic guitar and mandolin duet, a tour de force of vocals, rhythm and traditional melodies.

Individually the duo consists of Roxeen Roberts and Gary Dalrymple. Collectively they are highly respected, veteran musicians with impressive musical resumes. They are multiple East Coast Music

Awards (ECMAs) nominees, Maritime Gospel Music awards (MGMA) nominees, and have won numerous Eastern Canadian Bluegrass Music Awards (ECBMAs).

The duo is thrilled to be coming to Seeley Bay.

Opening for Roxeen & Dalrymple will be 2016 Central Canadian Bluegrass Awards nominee for "Best Recording", CR5 Bluegrass.

Music on October 27th will start at 7:00 PM, with doors opening at 6:00PM. For tickets and info contact (613)928-2762 or <http://www.eobluegrass.com/>.

Fall Festival

One of our most popular seasonal events is back, the Friends of Mac Johnson Wildlife Area Annual Fall Festival at the Mac Johnson Wildlife Area in Brockville.

The outdoor party takes place on Saturday, Oct. 14, from 10 a.m. to 2 p.m. and features sever-

al fun activities for every member of the family. For more information and updates on other special attractions on this exciting day, visit us on Facebook or www.crca.ca/events. Admission is \$5 per car.

To get to the Mac Johnson Wildlife Area, take Highway 29 north from Brockville to Tincap, turn east on Debrugge Road and drive for two kilometres to the main entrance.

Athens council

She noted that there are more such murals in the offing and it is hoped that this would be part of an inclusive revitalization program under the direction of a planning committee under council.

Another heritage concern was that the Crawford Backdrop is to be placed in a new storage area above the Library until a proper room is prepared for a permanent display. Henry Smid expressed a desire that the former museum room in the Town Hall be remodelled

as soon as possible and that it might perhaps be used as an art gallery area which would include the backdrop display. Council expressed that more funds would be needed for the restoration of the room.

The Heritage group is hoping that the room could integrate into their vision for revitalization that would celebrate local heritage in a way that would also help support economic development and enhance community spirit.
